DETAILED ACTION

Allowable Subject Matter

Claims 1-17 are allowed.

The following is an examiner's statement of reasons for allowance:

The reference (s) of record do not teach or suggest, either singularly or in combination at least the limitation of "a through metal member made of copper buried from an upper surface to another surface in a central portion of the frame like substrate, and copper layers joined onto the one and other surfaces of the substrate and the through metal member so as to cover the one and other surfaces thereof" for claim 1, "a through metal member made of diamond and a silver-copper alloy copper buried from an upper surface to another surface in a central portion of the frame like substrate, and copper layers joined onto the one and other surfaces of the substrate and the through metal member so as to cover the one and other surfaces thereof" for claim 2; "wherein in the heat releasing member, a plurality of through metal members made of a plate like substrate made of a matrix of tungsten or molybdenum and copper to another surface, copper layers are joined at least to one and other surfaces of a portion in which the through metal members of the substrate are buried, and a cross section area of each of the through metal members is gradually increased from the center side of the substrate to a joint portion with the copper layers" for claim 10; "wherein in the heat releasing member, a plurality of through metal members made of a copper are buried from the

one surface of the mounting portion of a plate like substrate made of a matrix of tungsten or molybdenum and copper to the other surface, copper layers are joined at least to the one surface of a portion of the substrate positioned inside the frame and on the other surface of a portion in which the through metal members are buried, and an arithmetical mean roughness Ra on the one surface of the portion positioned inside the frame and the side face of the heat releasing member is each $0.05 \mu\text{m} \leq \text{Ra} \leq 30 \mu\text{m}$ ” for claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
